

Join the University Hospital Service League Auxiliary

The *Service League Auxiliary's* mission is to support patient programs of University Hospital. The funds raised provide special services that enhance patient care and make hospital stays more comfortable and enjoyable.

Proceeds from the Medtique Gift Shop and various fundraising activities have assisted patient care areas with needed funds for projects.

Auxiliary sponsored programs include purchasing clothes for discharged patients who have no clothing for discharge, purchasing toys for pediatric patients during the holidays, providing supplies for the "Art Carts" to help make patients visits more pleasant, and funding comfort baskets for palliative care patients.

The SLA provides funds for annual capital equipment needs such as purchasing an ambulance, hyperbaric chamber, and over the bed patient lifts for various nursing units.

The *Service League Auxiliary* also provides volunteers for all American Red Cross blood drives held in the hospital lobby on a monthly basis. The SLA sponsors informational tables during Women's Heart Health Month, Breast Cancer Awareness Month, as well as, other health awareness initiatives.

The *Service League Auxiliary* is an established, growing organization and supports the mission of the hospital. The *SLA* encourages volunteerism and strives to increase awareness in the community of the growing services of the hospital.

To become a member of the *Service League Auxiliary* please complete the following application or attend a meeting. The *SLA* meets on the first Monday of each month at 1:00 p.m. at the hospital.
